ANNA MAY FAMILY FOUNDATION
Grant Guidelines and Application Procedures

Foundation Mission:

The Anna May Family Foundation was established in 1999 to support tax exempt organizations in southern Oregon whose programs enhance the well-being of economically disadvantaged and vulnerable people, emphasizing children, women, elders and minorities. Our mission is to help those most in need who are less able to help themselves. We are less concerned with making many grants than with making grants in response to the greatest need at any given time.

Primary Areas of Interest and Geographic Scope:

Initially, the Anna May Family Foundation will make grants benefiting residents of Jackson County and targeting:

- those who are subjects of abuse;
- children who are at risk, emphasizing preschool education and recreational and cultural enrichment for youth;
- those needing emergency services, emphasizing shelter, food and medications;
- those who are economically disadvantaged and who are seeking employment and training

Restrictions:

- No grants will be made to individuals or to other foundations.
- Grants for buildings, equipment and endowments will not be emphasized at this time.
- The Foundation does not make grants to support projects which have already been completed or grants for general operations.
- The Foundation avoids making more than one grant per year per organization.

Application Deadlines and Board Grantmaking:

The deadline for grant applications is FEBRUARY 15. (When the 15th falls on a weekend or holiday, the postmark may be the following business day). Proposals sent by fax or email cannot be accepted.
